HOW TO CREATE A:

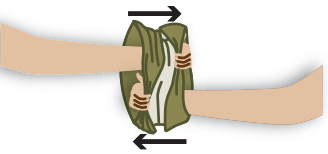

PIRATE

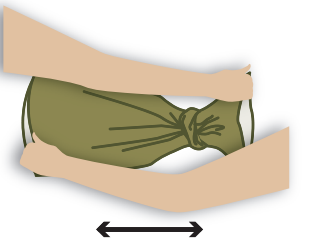

1 Turn the MFH inside out

2 Cross hands over inside grabbing the opposite ends of the tube.

3 Pull towards middle

4 Keep pulling, uncrossing hands to form a knot in the middle

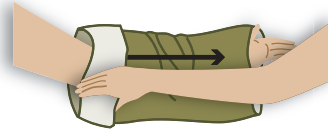

5 Shape an opening at one end and adjust knot position to fit your head

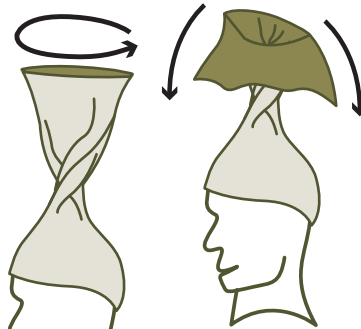

6 The result - Pirate

CAP

1 Turn the MFH inside out

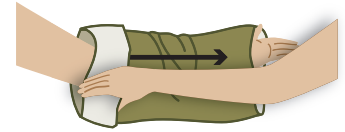

2 Twist one end 360°.

3 Pull top opening end down to cover your head

4 The result - Cap

DESERT CAP

1 Turn the MFH inside out

2 Lay over the top of the head leaving a hand inside

3 Using the other hand, pull top layer over the head to secure

4 The result - Desert Cap
